

WEST WYCOMBE CORPORATE ENTERTAINMENT

The West Wycombe Corporate Entertainment team was busy in June, with a number of charity events, stag shoots, a party in the caves, motor sports and an exceptional party at West Wycombe House - the home of Sir Edward Dashwood. If you would like help organising your event, discussing creative ideas and budgetary constraints, please call us on 01494 883 808 or email us: info@westwycombe.co.uk

Once again we were very pleased to host two charity shoots; including those of Ryman and Tesco:

"The team at E J Churchill were fantastic, everyone enjoyed the day and it ran very smoothly. Thank you for organising such a great event and we look forward to returning next year."

"We had a fantastic time with you in the morning and all of us have been singing your praises since"

One of our most unique venues is the Hellfire Caves in West Wycombe. A highly individual and very private venue for parties, receptions, product launches and client entertainment. One of our clients took the opportunity to entertain their international guests with dinner and a spooky tour.

"We held our company Distributor Meeting at the Hellfire Caves and had a fantastic evening. We went on a history tour of the caves with our guide; he was excellent, very friendly and informative. We also had scarers that were hidden in different parts of the caves who jumped out, which certainly kept our visitors on their toes! We then had a meal in the banquet hall, which was excellent, our wine glasses were always topped up, we would recommend this to everyone. Many thanks to all of the staff that helped out in the evening and we will definitely come back again for an event in the future."
