

Welcome to our new monthly update from West Wycombe Corporate Entertainment and EJ Churchill Shooting Ground. We hope to bring you a small snapshot of some of the exciting events held at the estate in the last month.

#### Product Launch - Hunter

We were really pleased to host Hunter's product launch of their new Balmoral collection. With a host of the most critical journalists to impress, novice guns competed alongside experienced in a fast flurry competition. With some great prizes up for grabs, there was no holding back on some of the participant's competitiveness!

"Many, many thanks to you and your team for making sure the Hunter day went so well. You planned it brilliantly and were always around to sort out any niggles that always arise on a day like this. So it was a great pleasure for the Hunter team as well as our guests." Claire Saunders, Marketing Director, Hunter Boots

#### Charity Shoot - The Eve Appeal

"The Eve Appeal was very pleased to hold its first charity shoot at the West Wycombe House and Estate and it certainly raised the bar for charity shoots. The day ran very smoothly with the pressure of event organisation taken off our hands, leaving The Eve Appeal staff free to look after our guests properly throughout the day – the shooting was very exciting too as it was similar to a driven day. The venue is absolutely breathtaking which impressed all of our guests – this gave rise to a very relaxed and enjoyable lunch followed by a successful auction. We are booked in for next year already!"

Robert Marsh, CEO, The Eve Appeal
